COWPENS BATTLE-FIELD TRIP: The 3rd grade, along with grades 6th-8th, enjoyed a historical field trip last week. Experience the fun through the eyes of two of our students:

“When my class got to Cowpens Battlefield, we got out of the bus and went inside the building. It was interesting. A man led us into a room. We sat down, and lights on maps lit up as a voice on a recording read the words. After that, we went into a room and were able to watch the war on a projector. Then, we went outside and walked around the battlefield! Along the way, my class took turns reading the signs. We then went to a lunch area. We ate and got back on the bus, and then came back to the school. I learned a lot.”

Leilani Darnell

“Last Thursday, the 3rd grade and 6th - 8th grade went to Cowpens Battlefield. This was a really cool field trip. We learned how the battle really went. The coolest part was that we stood in the footprints of one of the soldiers. Our field trip was great!”

CGCS OPEN HOUSE:

Invite a friend to attend our Open House, coming up February 19, from 12:00-4:00 p.m. This is a required school day for students in grades 1st-8th. Kindergarten and 1st students are asked not to attend, due to the Kindergarten Round Up program scheduled for new Kindergarten students and their parents on that day.

NO NEWS FLASH NEXT WEEK:

Mrs. Bass will be absent from the office next week, Feb. 6-10. She will be helping to chaperone the Fletcher Academy Seniors on their Class Trip/Mission Trip. There will be office staff available to help you during her absence, but there will be no News Flash printed. She appreciates your prayers for their trip as they witness to others about Jesus love.
